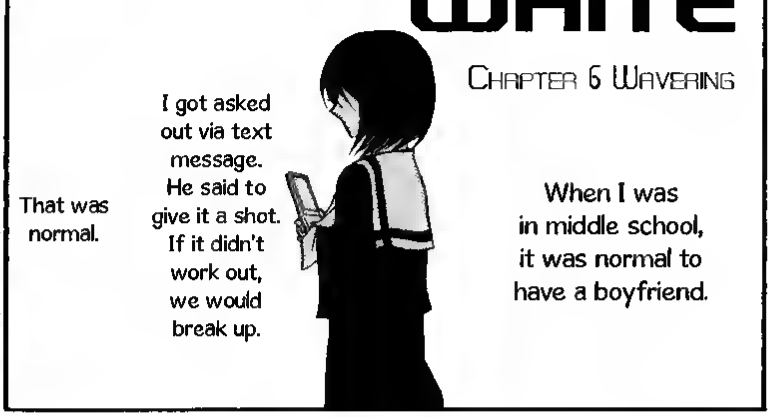
Chapter 5
question-1
So, um...
Are you sure you don't need to see your boyfriend?
They've switched to winter uniforms now.
Am I bothering you?
No! Not at all!
I just feel like I've been taking up all your time lately...
I'd feel bad if, you know...
I see him occasionally. Once a week, maybe...
Oh...
I see.
Huh?
Did I say something I shouldn't have?

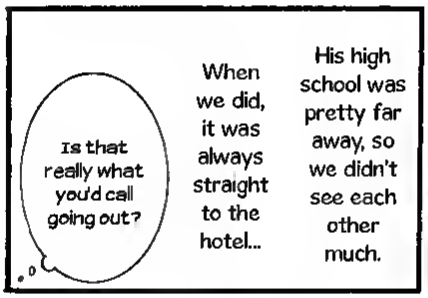
BLACK & WHITE

Chapter 6 Wavering

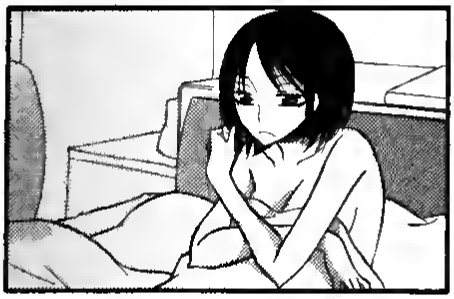


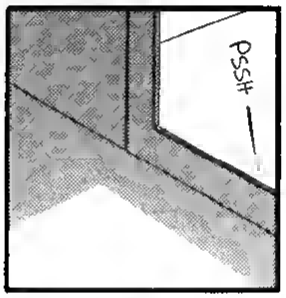
That was normal.
I got asked out via text message. He said to give it a shot. If it didn't work out, we would break up.
When I was in middle school, it was normal to have a boyfriend.

Did my heart ever race?



Is that really what you'd call going out?
When we did, it was always straight to the hotel...
His high school was pretty far away, so we didn't see each other much.





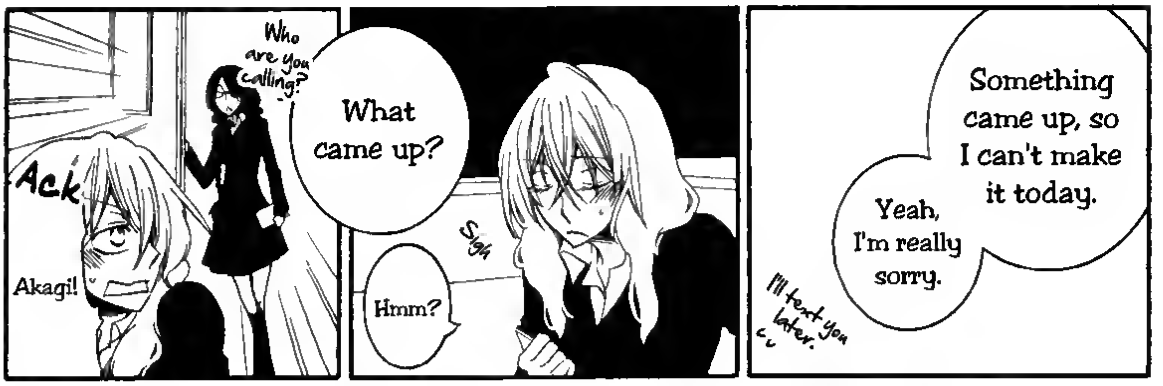
I don't want her to know the real me...

BLACK & WHITE
Chapter 7
Starting Line
What happened to your face!?
Oh...
Is it that obvious?
It's really obvious!
What happened?
I just broke up with my boyfriend.
Wha-
What?
He said he's got another girl anyway.
And when I told him I didn't feel anything for him any more
So he was cheating!?
I guess so.
HUH?
Moving forward!?
Actually, I finally found the courage to start moving forward.
Uh... Well...
Doesn't that hurt?
No, I'm fine.

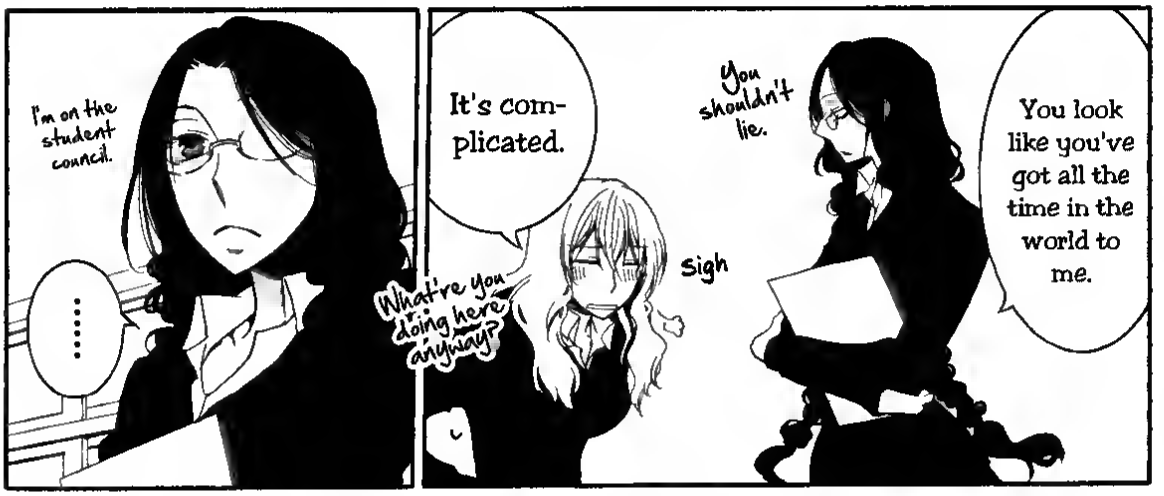
I didn't know what kind of expression I should be wearing.
I JUST BROKE UP WITH MY BOYFRIEND.
When Kurosawa-san told me
AND WHEN I TOLD HIM I DIDN'T FEEL ANYTHING FOR HIM ANY MORE
Oh...
What if she starts hating me all of a sudden?
Falling out of love... I suppose it happens... but...

That's what I'm truly afraid of...

Kurosawa-san told me she broke up with her boyfriend last time.
No, not really.
Running
Did I keep you waiting?
Sorry!
I can't believe how much stuff is on them.
They announced what's going to be on the finals today at school.
But even so, that doesn't mean she's going to turn to me.
It's nothing.
This love has no future.
Nothing.
Hmm?
What is it, Shirai-san?



Who are you calling?
Ack
Akagi!
What came up?
Sigh
Hmm?
Something came up, so I can't make it today.
Yeah, I'm really sorry.
I'll text you later. ^_^



I'm on the student council.
.....
It's complicated.
What're you doing here anyway?

Why you...
That means she doesn't want to talk about it, wouldn't you say?
She ran away when you asked her, right?
Surely you have a few secrets that you don't want anyone else to know, don't you?

Sorry about yesterday.

Sorry about yesterday.

You don't want to talk about it right?

Did I make you feel trapped?

You don't want to talk about it, right?

Did I make you feel trapped?

I was afraid you might just come to hate me some day too...
But I also got scared.
I was happy.
I know it's horrible, but when you told me you broke up with your boyfriend...

And I haven't heard anything about what happened yesterday from Akagi.
Oh.
I hope you'll forgive me for pressuring you.
These are my secrets.
Hate?

Oh.
And I haven't heard anything about what happened yesterday from Akagi.
I still don't know what happened yesterday.
So don't worry.

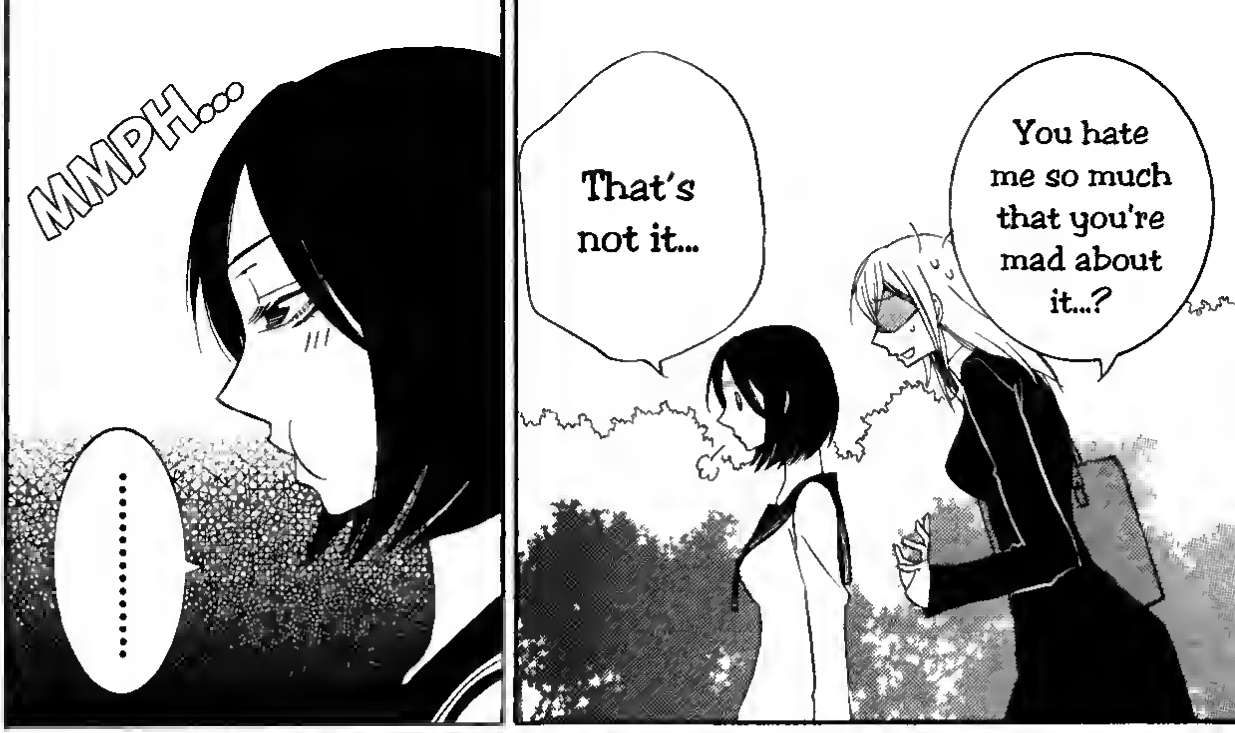
It's fine.
Sorry I wouldn't let up on it yesterday.

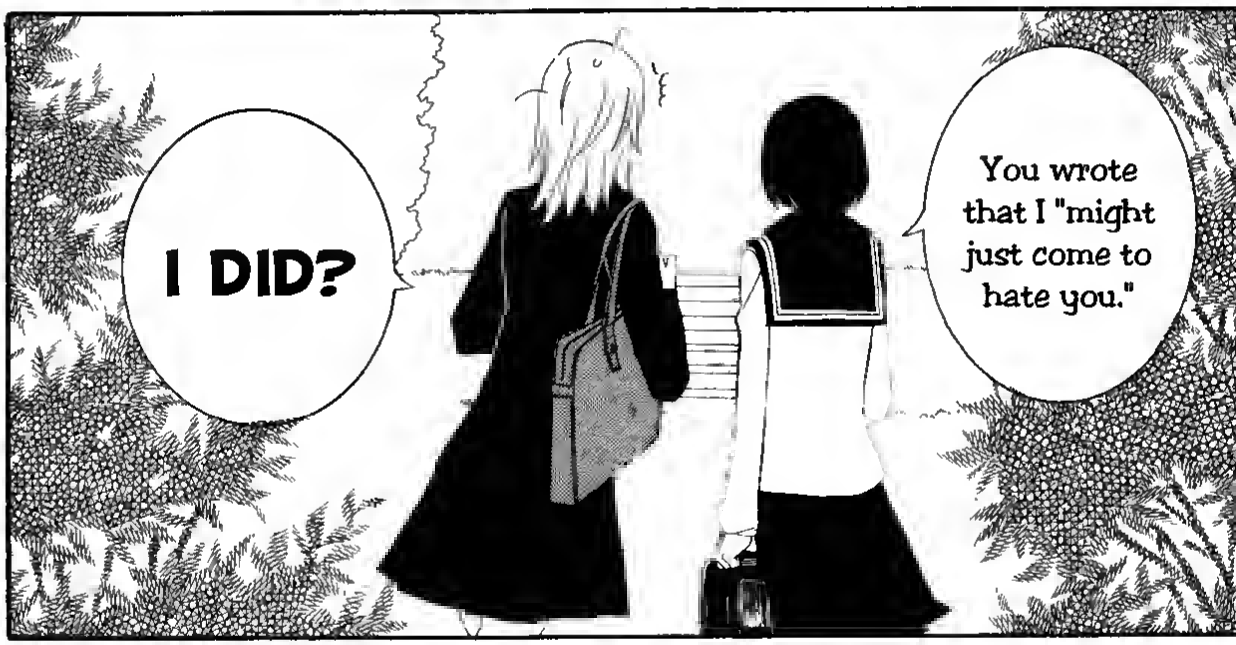
CRUSHED

No.

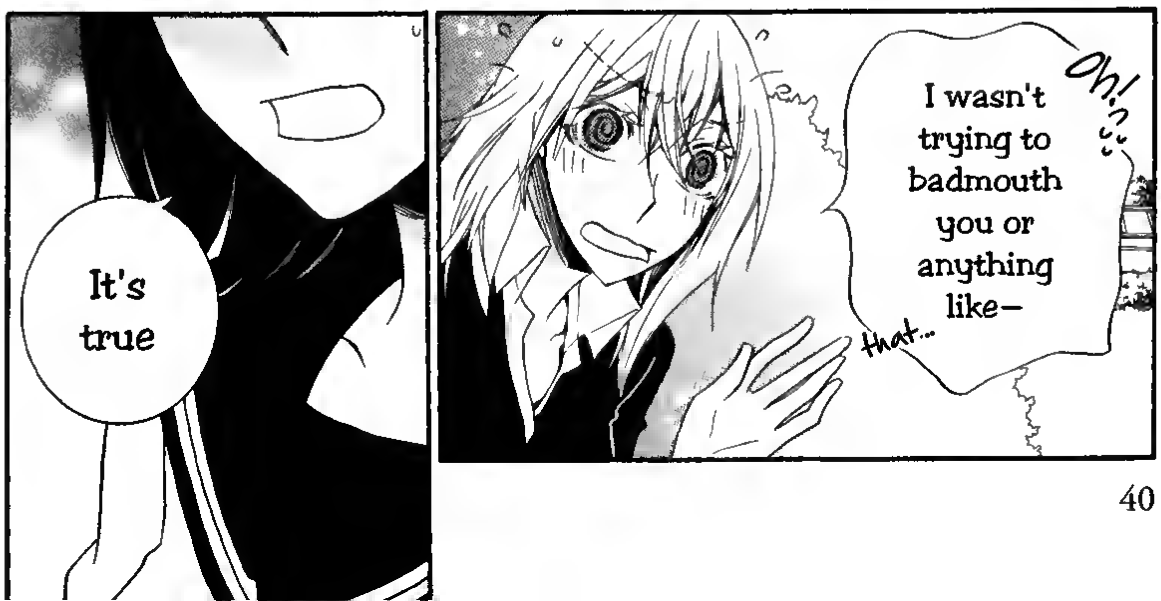
She dumped me!!
Because...
I'm really mad at you.
WHAT?



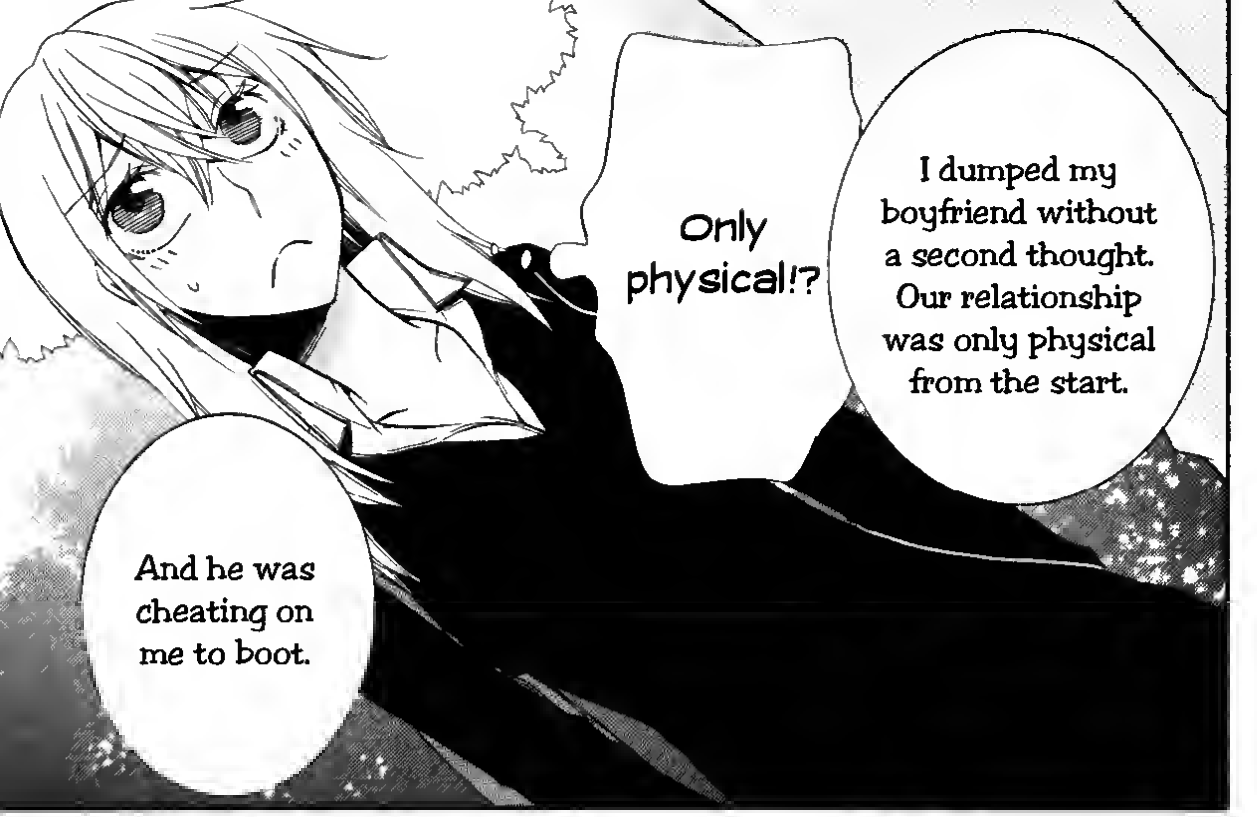
MMPH...
.....
That's not it...
You hate me so much that you're mad about it...?



I DID?
You wrote that I "might just come to hate you."



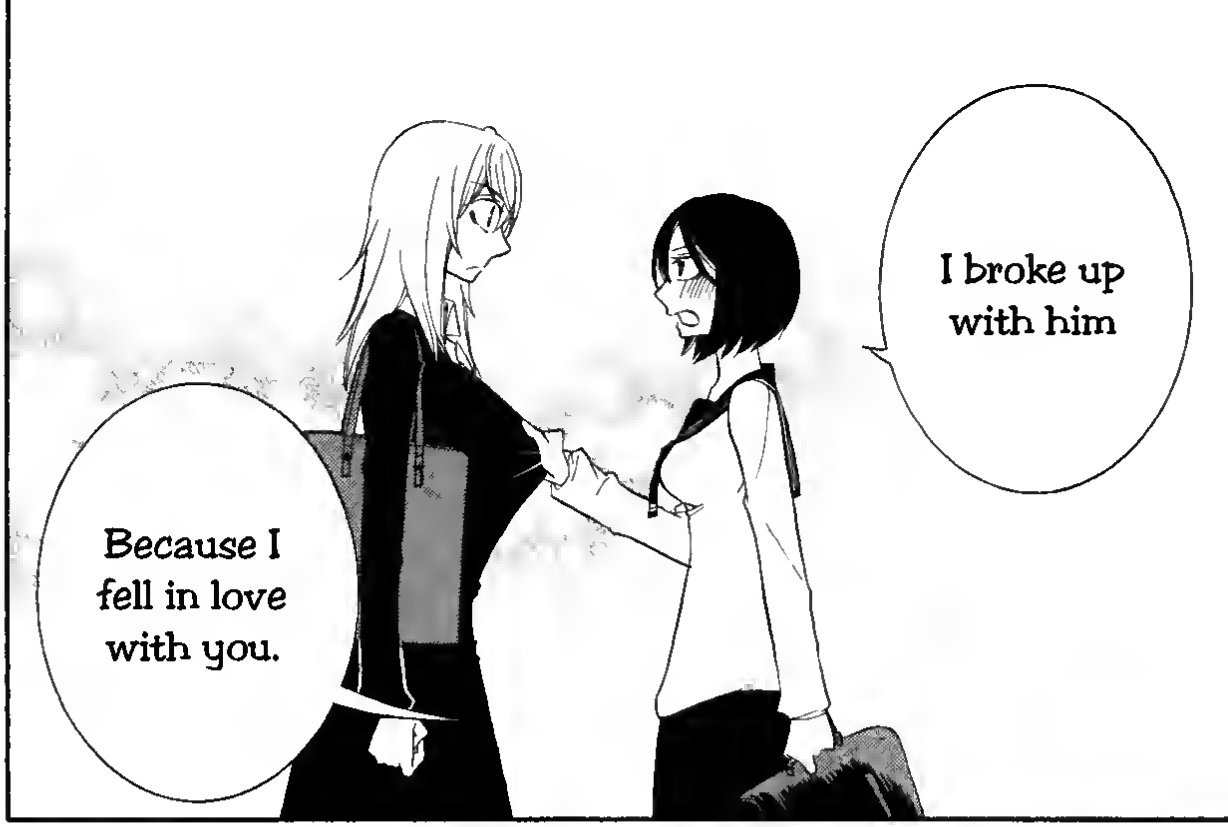
It's true
I wasn't trying to badmouth you or anything like—
that...
Oh!?



I dumped my boyfriend without a second thought. Our relationship was only physical from the start.
Only physical!?
And he was cheating on me to boot.

Anyway
If I'm going to date someone, I want them to love me.
And I need to love that person too...

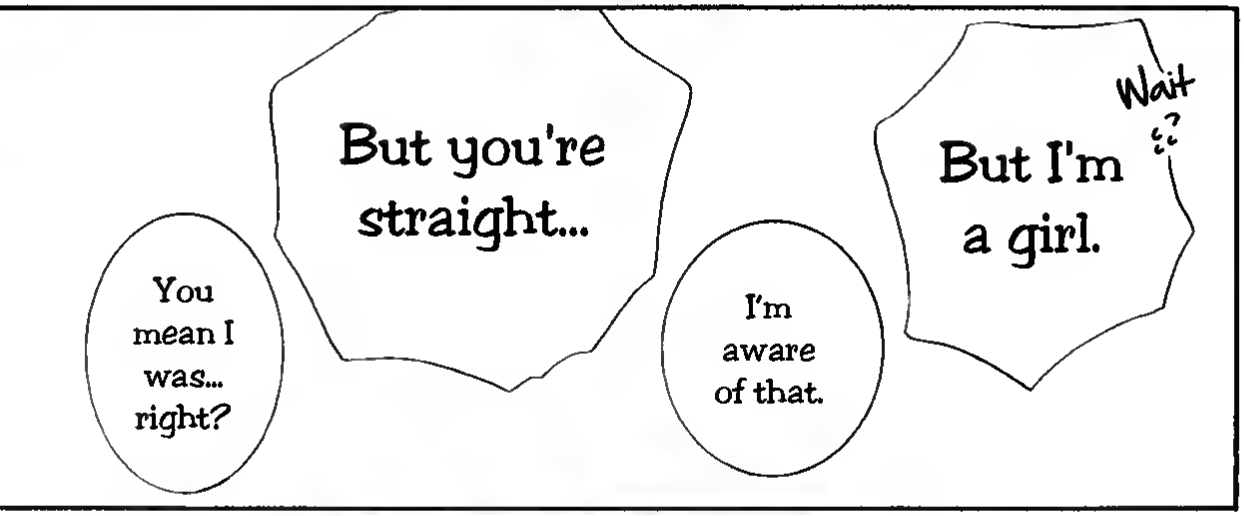
Reach



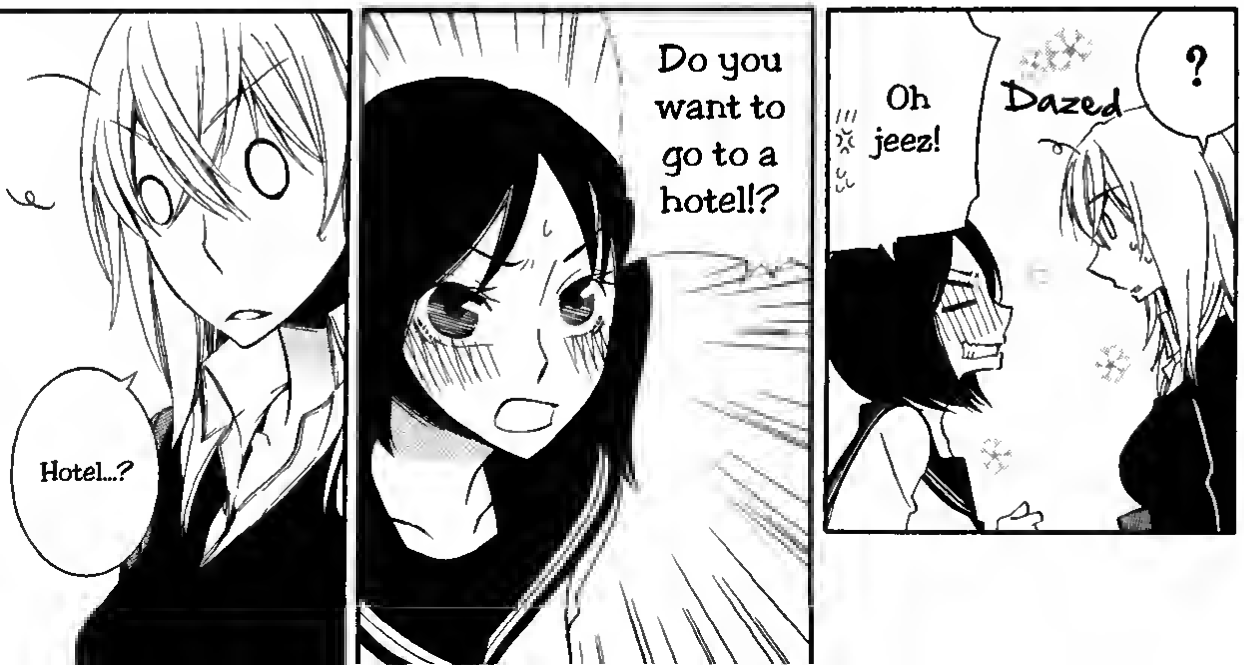
I broke up with him
Because I fell in love with you.

What?
I'll never just come to hate you.

Huh?
Love?
Who loves who?
Jeez
Do you get it?



But you're straight...
But I'm a girl.
Wait
You mean I was... right?
I'm aware of that.



Do you want to go to a hotel!?
Hotel...?
Oh jeez!
Dazed

You mean...
Yes! That's what I mean when I say I love you!!
You are so stupid!!
